

TANNERS 2 MISSIONARY ACRES

Serving God's Servants

Hello,

As the summer sun shines over Missionary Acres, we're so thankful for the incredible energy and faith of the teen work groups who have joined us this summer, and those still to come. Their enthusiasm, work ethic, and servant hearts have been a powerful testimony to God's love in action.

These young people have rolled up their sleeves to help however they can. So far this year, teen groups (and their adult leaders) have helped:

- Pressure wash buildings and homes
- Knock down tall grass and weeds with weed eaters
- Stain decks
- Build stairs for an enclosed porch
- Repaired a deck and installed new rails
- Remove broken siding on a home and put up new

What a joy it is to have these teen groups on site. We're excited for the upcoming teen groups scheduled throughout the rest of the summer.

Along with the teen groups, we had an adult group visit this year that helped re-roof a house and pour a driveway. We are so thankful for all the hard work volunteers bring to Missionary Acres.

Missionary Acres Update

Our Lot 15 project is nearing completion, and we're praying it will be ready by the end of July. This new home will soon welcome a resident, providing a safe and nurturing space to call their own. The final steps include:

- Painting a beam on the ceiling between the living room and kitchen to add a warm, finished touch.
- Installing sink plumbing to ensure functionality.

Let's Keep In Touch

- Leak-checking all plumbing for reliability.
- Completing flooring installation to create a cozy, inviting home.
- Clean and paint the garage.
- Complete a final walkthrough and clean the house.

Beyond Lot 15, we've been busy with other projects that strengthen our community. The annual Missionary Acres Directory has been updated, printed, and distributed to residents and staff, fostering connection and communication. Our website refresh is also underway, aiming to share our mission more effectively with supporters like you.

This summer, many of our residents are traveling to visit family and friends, and we ask for your prayers for their safety and joyful reunions. We're also lifting up a few Missionary Acres family members recovering from surgery, praying for their swift healing and renewed strength.

Tanner Family Update

Our move across the property to Lot 70 that we talked about in our last prayer letter is currently underway. We're hoping to be completely settled by the end of the month.

Jayme's work at the nearby camp is going well. She's having a great time designing stickers, making motion graphics, creating social media posts, and tackling other design projects. She'd appreciate your prayers for wisdom as she considers the next steps after this summer job ends.

Owen was able to meet with a dentist who specializes in working with people with special needs. It was such a blessing to have him get such a thorough exam and get a plan made for dental surgery, where they can take care of everything all at once. That's scheduled for next month, and it'll be over in Springfield, MO, which is just over three hours away. We're thrilled the practice was able to schedule him so quickly.

Thank you for standing with us in this ministry. We are so thankful for you and regularly pray for you.

With love,

Bryan & Lisa Tanner & Family
