

TANNERS 2 MISSIONARY ACRES

Serving God's Servants

I thank my God upon every remembrance of you, Always in every prayer of mine for you all making request with joy, for your fellowship in the gospel from the first day until now;

Philippians 1:3-5

Dear Praying Friends,

We are overflowing with gratitude for your faithful partnership in this ministry. Your prayers and generous support have been evident throughout our travels. We've had such a wonderful time reconnecting with dear supporters and prayer warriors in Lynden, Salem, Pocatello, and Chewelah.

We look forward to presenting our ministry at two new churches in Montana later this month before beginning our journey back to Missionary Acres on June 29th. Thank you so much for praying for traveling mercies—we've been blessed with very safe and uneventful travels so far, and we give God the glory.

Missionary Acres Update

We are so thankful for the dedicated team back at Missionary Acres who have kept projects moving forward while we are away. Since our last prayer letter, a team from Illinois removed a roof, fireplace, and chimney from one of the houses. A teen work team from Michigan also came and helped pressure wash homes, clean, and complete many other important tasks around the property. The staff also completed some much-needed repairs to one of the water lines. The Acres is looking wonderful, and we are deeply grateful for every hand that has served!

Another teen work group is arriving from Ohio next week. It is such a blessing for our staff and residents to pour into these young people as they use their energy and effort to serve at the Acres. What a beautiful picture of mutual encouragement and Kingdom work!

If you aren't yet following Missionary Acres on Facebook, we'd encourage you to check out the page from time to time. The team posts updates several times a week, complete with plenty of photos of the ongoing projects. You can find it here: <https://www.facebook.com/missionaryacres.bmm/>

Tanner Family Update

Thank you for praying for Bryan's grandfather's funeral service. Bryan was able to pick up his brother in Spokane and drive to the funeral in Idaho together. Praise God, the gospel was shared during the service. And it was a blessing to be there and connect with some family Bryan had not previously met. Please continue to pray for Grandma Mary as she adjusts to life without her husband and friend.

This ministry trip has been rich with family reconnection. At the end of May, both sides of the family gathered for a big BBQ at Lisa's Mom's house. It was a joy to watch our children running around with so many cousins and relatives.

Earlier this month, we spent a delightful afternoon visiting Lisa's great aunt in Usk and another day with Bryan's Grandma in the Tri-Cities area. We are incredibly thankful for the family we see on these trips—they are the ones we miss most while serving in Missouri.

Since our last update, we also celebrated Owen's 20th birthday and the 25th anniversary of our sending church, Chewelah Baptist. It was a blessing to connect with friends and relatives at these special events.

During our time in Salem, we stayed in the area an extra day and drove to the ocean at Newport Beach. Though it was rainy and windy, some of us braved the elements to explore tide pools and visit a lighthouse. Spending time in God's creation and admiring His handiwork is always special.

Then we spent a couple of nights in the Tri-Cities before heading to the Pocatello, ID area. We stayed in Blackfoot, where we enjoyed exploring a local lava flow, visiting the Idaho Potato Museum, and solving a fun potato-themed escape room. We are so thankful for these memories being made—this is likely our last trip with all our children together, as two more will likely be at Bible college before our next reporting trip.

This week we are soaking up as much time as possible with family and making more memories before heading to Montana and then back to Missouri. Please continue to prayer for traveling mercies. Our van is doing great this trip; with only one minor issue that Bryan was able to fix in a church parking lot, and some normal maintenance needs which Bryan's old boss and friend Randy graciously stepped in and took care.

We are also praising God for health on this trip. Though we've had some colds, coughs, and allergy flares, we haven't faced any serious illness. Please pray that our health continues to hold strong.

Thank you for standing with us in this ministry. We are so thankful for you and regularly pray for you.

~With Love, Bryan, Lisa, and the Tanner Family
