

Tanners Missionary Acres

Serving Respected Heroes of the Faith!

1 Timothy 5:17 worthy of double honour

Hello,

On Tuesday, October 17, 2022, Bryan was able to complete the final small project of phase one of our remodel project. Phase two will hopefully start sometime towards the end of next year and will include adding a tornado shelter at the front of the house, with additional living space on top of it.

Missionary Acres Update

Now that phase one is behind us, Bryan was able to rejoin the Missionary Acres team. The past two weeks we've had multiple church groups from Ohio on site helping with various projects. A big thanks to these two First Baptist Church from Niles, OH, and Pleasant Hill Baptist Church, from Smithville, OH for your hard-working teams.

This past week we spent a lot of time on the new construction project for the Galvan family. Bryan was on the roof with two volunteers from Smithville, and praise God, the shingles are on and the roof is complete!

After finishing the roof, the group was also able to begin wrapping the house and even installed a couple of windows.

In addition to the work on the future Galvan home, part of the team completed much work at a home being remodeled for the Langdon family. They got multiple windows and doors relocated.

There is still a lot of work to be completed on both projects, and we have a third remodeling project in the works as well for the Mowen family. Please pray that the work will get completed soon so the families can get settled in their homes.

We are continuing to pray for additional volunteer groups. As we come to the end of this year, will you please pray with us that additional groups will commit to coming next year?

Praises

- We completed phase one of our house remodel
- Bryan is working with the Missionary Acres team again
- Two successful work groups over the past two weeks
- Owen's new g-tube arrived (now we have to meet with the doctor to learn how to install it since it's different!)
- Jayme finished her midterms at College of the Ozarks

Prayer Requests

- Bryson has surgery scheduled for 10-31 to remove his tonsils and adenoids. He'll be getting lots of popsicles while he recovers, and we're praying that once he does, his sleep would improve.
- For Lisa's pregnancy and the newest Tanner baby.
- For salvation for our children who are not yet saved.
- Owen is meeting with a specialist clinic in St. Louis to see how he's doing physically and to evaluate his current medical equipment. We know he is outgrowing his wheelchair and are praying there wouldn't be any problems with the insurance approving a larger one.
- For our oldest daughter, Jayme, as she continues her sophomore year.
- For the health and safety of the dear saints here at Missionary Acres.
- Transition to new MA leadership structure

Let's Keep In Touch

As many of you know, we have been praying for additional staff. We were notified this past month of a family that is praying about God's leading in their lives. Would you please join us in praying for this family, and for additional families to join the team? The current staff is getting older, and the other two couples will likely be retiring in the next ten years.

As such, we are actively praying for additional folks that could come and serve in this vital ministry.

We are also praying about some ministry funds for Missionary Acres equipment. For example, our backhoe is older than we are, and it's starting to show its age, making it less dependable when it's needed. As such, the staff is currently praying about the ministry needs and in the near future will be creating a list of equipment and tools that would enhance the ministry here and make it more efficient to do the necessary work.

Please pray for wisdom as we compile these lists, both in what to include and how to prioritize them. Please also pray that God would provide the needed funds to cover said expenses. These are projects that Missionary Acres will be raising funds for in the future, so all donations would go to Baptist Mid-Missions and be designated to Missionary Acres, not to our family.

Tanner Family Update

Bryan had a good trip to Kansas City where he attended a Pastors' conference. The preaching was amazing, challenging us all to focus more on evangelism and discipleship.

Bryson, our five-year-old, will be having surgery on October 31st to remove his tonsils and adenoids. Please pray that the surgeon would have steady hands, and that Bryson would have a quick recovery. We're also praying that he'd sleep better at night without enlarged tonsils blocking his airway.

We're thankful that so far everything has gone well with Lisa's pregnancy and are praying for a healthy third-trimester and delivery. We praise God that there's no medical reason for a c-section this time around, and are thankful her doctor supports the decision not to schedule one. We're also grateful that Jayme will be home on Christmas break during the time surrounding this little one's due date. Since she's already familiar with Owen's special needs, having her here during the delivery to watch the other children would be a huge blessing! But, we know we can trust God's timing in all things, including this.

Thank you for your prayers and support,

Bryan & Lisa Tanner & Family
