

Tanners Missionary Acres

Serving Respected Heroes of the Faith!

1 Timothy 5:17 worthy of double honour

Hello,

What do you do when you're a missionary family and realize your current prayer cards are missing not one, but two kids? Get a new family picture and design another one, of course!

Anyway, our new prayer cards are hot off the press. If you would like us to send you a copy (or a few copies) please reply to this email with your mailing address and how many you'd like. Then we will get them in the mail.

Missionary Acres Update

April has been a productive month here at Missionary Acres. Last week, two men operating a gutter business in LaCrosse, WI drove down and worked on replacing some old gutters around the property.

Unfortunately, because Bryan was in water class, he could only help one of those days. However, the rest of the staff and the men installed brand new gutters on many houses. Sadly, we could not get to all the buildings that needed done, but praise God, the owner returned this week and even more gutters are being replaced. Working gutters are definitely a blessing, especially with the amount of rain we've been getting.

We also have a volunteer group from Owatonna and Albert Lea, MN, working on the new construction project for the Galvan family. They have been framing the interior walls, installing windows and doors, and building a deck. Praise God for the fantastic progress being made. Work groups and volunteers are able to accomplish so much more than the staff can on our own.

While much of the staff and the team worked on the new build, Bryan has focused his attention on a remodel project. This particular house needed a lot of electrical work in the attic. With the outside temperatures rising, he has been putting in many hours and some late nights trying to get that part of the job done. Praise God, unless some surprises come along, the attic work is nearly complete, with only one more circuit to be tied in. Lord willing, that'll be done in the next few days.

Tanner Family Update

There is some rush on the attic for two reasons. First, because it is getting warmer, and second, because our family will be on the road again soon. On April 28th, we will be loading up the van and making another ministry trip.

Instead of taking a traditional, long furlough every four years, Baptist Mid-Missions encourages its North American missionaries to be on the road for several weeks each year reporting to churches. So, we have a few meetings scheduled out west during May and June. We will be back in Missouri by the first full week of June, but summer should be in full swing at that point, and it will be too hot to spend much time in a hot attic.

Praises

- Owen got his new wheelchair and the insurance covered it completely
- Lisa, Owen, Ellie, and Sally had a safe trip to the Angelman Syndrome Clinic in Kansas City
- Bryan finished his water course and took the required tests (now we're waiting on results!)
- New gutters on many of the houses and buildings at Missionary Acres (including our house)
- Much work was accomplished on the new house build
- Great workers volunteering at the Acres

Prayer Requests

- Salvation for our children who are not yet saved
- The health and safety of the dear saints here at Missionary Acres
- Safety on the road and for good meetings in May and June
- Owen's insurance to approve a new canopy for his enclosed bed
- Additional staff members to join the Missionary Acres team, especially those with construction experience
- To fill the 2023 schedule with work groups
- To complete the remodel project for the Langdon family who are currently in temporary housing
- Bryan to pass the water exams he took and become certified
- Jayme to finish her sophomore year well

Let's Keep In Touch

During this trip, we will visit our sending church in Chewelah, WA. Our pastor, Dan Cleghorn, is retiring from full-time ministry. His last Sunday will be in May. We are excited to be able to see the Cleghorns off and hope all the best for them as they transition into a new phase of life. Please join us in prayer for the Cleghorns and for our home church as they search for a new pastor.

Earlier this week, Lisa took Owen to the newly opened Angelman Syndrome clinic in Kansas City. It was a long drive to make, but the folks there were very helpful, and it was a blessing to connect with providers that focus on the rare condition Owen has. Praise God, that the only trouble on the trip across the state was some construction in the Saint Louis area and a lot of rain.

Bryan did complete the water distribution and treatment course he was taking with the Missouri Rural Water Association. He also took the two tests with the Department of Natural Resources to get licensed in the state of Missouri. Now we have to wait about four weeks for the results of the exams.

That's it for this letter. Thank you again for all of your prayers!
